SENT VIA E-FILING

Re: United States v. Timothy Jackson Jr.  
Case No. 24-MJ-4013

Dear Judge Payson:

I am respectfully requesting a 45 day adjournment of our status conference set for October 3<sup>rd</sup>.

We are continuing to review the extensive amount of audio tapes, transcripts, pole camera excerpts, and other discovery from the government. I have met and continue to meet with my client and will need additional time to review this extensive amount of discovery. I was recently advised that the government has an extensive amount of additional pole camera videos that it will be disclosing. Mr. Jackson is detained and I would like to have sufficient time to continue to review the materials with my client as a part of our assessment of this case. There has also been plea discussions concerning the possible resolution of this matter, which I need to review with my client.

I have communicated with AUSA Marangola and I understand that he does not object to this request. I further consent to the exclusion of time associated with the adjournment for Speedy Trial purposes.

Thank you for your consideration.

Very truly yours,

/s/ Maurice Verrillo
